Bud Light MXT

The Bud Light MXT promotional vehicle creates a spectacle wherever it goes. Boldly branded, the Bud Light MXT is nimble enough to support a variety of events, both small and large. In show mode, the MXT A/V system pneumatically elevates out of the truck bed to reveal three 32" flat panel screens and a thumping sound system. A branded 10' x 20' tent shades visitors while teardrop brand banners balance the footprint, and provide added brand visibility. The Bud Light MXT works both with its satellite TV, DVD and Xbox 360® capabilities allowing for a visual and aural presence or can be supported by external promotional elements like Guitar Hero® III, Rock Paper Scissors, Drop The Puck or green screen photo promotions.
